Member Registration

The **Member Registration** page allows new alumni to create a Classmates account. Users provide a unique username, a valid email address, and a secure password to register. Once registration is complete, they can log in to access member-exclusive features, update their profile, connect with classmates, and participate in the alumni community.

Registration Instructions

1. Enter a **unique Username** (e.g., charlotte.brown).
2. Provide a **valid Email Address** that you can access for future communication and password recovery.
3. Create a **strong Password** using at least 8 characters, including uppercase and lowercase letters, numbers, and special characters.
4. Click the **Register** button to create your account.
5. After successful registration, use the **Back to Login** link to sign in with your new credentials.

Note: If the selected username or email address is already registered, choose a different username or use another email address. Ensure your email address is entered correctly, as it may be used for account verification and password reset.

Member Login

The **Member Login** page allows registered alumni to securely access the Classmates portal using their username (or email address) and password. After logging in, members can manage their profile, connect with classmates, browse the alumni directory, view announcements, and access other member-exclusive features.

Login Instructions

1. Enter your **Username or Email Address** registered with your account.
2. Enter your **Password**.
3. (Optional) Select **Remember Me** to stay signed in on your personal device.
4. Click the **Login** button to access your account.
5. If you have forgotten your password, click **Forgot Password?** to reset it.
6. If you do not have an account, click **Create Account** to register as a new member.

Note: Login credentials are case-sensitive. If you are unable to sign in, verify that your username/email and password are correct. If you continue to experience issues, use the **Forgot Password?** option to reset your password or contact the site administrator for assistance.

Forgot Password

The **Forgot Password** page enables members to securely reset their account password if they are unable to log in. By entering their registered username or email address, users can request a password reset link, which is sent to their registered email address.

Password Reset Instructions

1. Enter your **Username or Email Address** associated with your Classmates account.
2. Click the **Send Reset Link** button.
3. Check your registered email inbox for the password reset message.
4. Open the email and click the provided **Reset Password** link.
5. Create a new secure password and save the changes.
6. Return to the **Member Login** page and sign in using your new password.

Note: If you do not receive the password reset email within a few minutes, check your **Spam/Junk** folder. Ensure you entered the correct username or email address. If the issue persists, contact the site administrator for assistance.

Member Dashboard

The **Member Dashboard** is the central landing page for logged-in users. It provides quick access to the latest community announcements and a searchable member directory, making it easy for alumni to stay informed and reconnect with classmates. The dashboard is designed to give members an overview of recent activities while offering convenient tools to search and view alumni profiles.

Dashboard Features

- **Latest Announcements**
 - Displays the most recent announcements and community updates.
 - Each announcement includes the title, publication date, and a brief summary.
 - Click **View All** to browse the complete list of announcements.
- **Member Search**
 - Search members by **Name, Batch, Passing Year, or Profession**.
 - Use the **A–Z alphabet filter** to quickly find members by the first letter of their name.
 - Click **Filter** to apply the selected search criteria.
 - Click **Reset** to clear all filters and display the full member list.
- **Member Directory**
 - Displays member cards with profile photo, name, batch, and a **View Profile** button.
 - Click **View Profile** to access a member's complete profile and available contact information (subject to privacy settings).

How to Use the Dashboard

1. Review the **Latest Announcements** section to stay updated with community news and member activities.
2. Click **View All** to read additional announcements.
3. Use the **Search Members** section to locate alumni by entering search criteria or selecting an alphabet filter.
4. Click **Filter** to display matching members.
5. Select **View Profile** on any member card to view their detailed profile.
6. Use the navigation menu at the top of the page to access **Announcements, Classmates, Edit Profile, or Log Out**.

Note: The dashboard content is updated dynamically. Newly published announcements and newly registered members will automatically appear based on your access permissions and the latest available data.

Announcements

The **Announcements** page provides a centralized location for all community updates and important information shared with Classmates members. It helps alumni stay informed about new member registrations, profile updates, upcoming events, notices, and other community activities. Announcements are displayed in a card-based layout with the title, publication date, and a brief summary.

How to Use the Announcements Page

1. Open the **Announcements** menu from the navigation bar.
2. Browse the list of announcements displayed on the page.
3. Review the **Title**, **Publication Date**, and **Summary** for each announcement.
4. Click an announcement title (if enabled) to view the complete announcement and additional details.
5. Scroll down to view older announcements as they become available.

Types of Announcements

- **Member Profile Updates** – Notifications when members update their profiles.
- **New Member Registrations** – Welcome messages for newly joined classmates.
- **Community News** – General announcements, events, and important updates.

- **Administrative Notices** – Information shared by the site administrator regarding the alumni community.

Note: Announcements are displayed in reverse chronological order, with the most recent updates appearing first. The page is automatically updated whenever new announcements are published, ensuring members always have access to the latest community information.

About Me

Hello! I'm **Charlotte Brown**, a passionate Full Stack Software Developer with over **17 years of professional experience** in designing, developing, and delivering high-quality web and enterprise applications.

Throughout my career, I have worked on a wide range of technologies including **PHP, WordPress, Laravel, Angular, React, Node.js, JavaScript, MvSOI...**

SECTION » P » STRONG

[Preview Profile](#) [Save Draft](#) [Submit For Review](#)

The **Edit Profile** page allows members to create and maintain their alumni profile. Members can update their personal information, professional details, contact information, social media links, profile photos, cover image, gallery, and biography. A complete profile helps classmates reconnect and improves visibility within the alumni directory.

How to Update Your Profile

1. Navigate to **Edit Profile** from the top navigation menu.
2. Complete or update your personal information, including:
 - Name
 - Phone Number
 - Batch
 - Passing Year
 - Profession
 - Company
 - Designation
 - City
 - Country
3. (Optional) Add your **Facebook**, **LinkedIn**, and **Instagram** profile URLs.
4. Upload a **Profile Photo** that clearly represents you.
5. Upload a **Cover Image** to personalize your profile.
6. Add multiple **Gallery Images** to showcase memorable moments or achievements.
7. Enter a brief **About Me** section describing your background, career, interests, and accomplishments.
8. Review your information before saving.
9. Choose one of the available actions:
 - **Preview Profile** – View how your profile will appear to other members.
 - **Save Draft** – Save your changes without publishing them.
 - **Submit For Review** – Submit your completed profile for administrator review and approval.

Profile Status

The profile status displayed at the top of the page indicates the current stage of your profile.

- **Draft** – Your profile has been saved but has not yet been submitted.
- **Pending Review** – Your profile has been submitted and is awaiting administrator approval.
- **Approved** – Your profile has been reviewed and is visible to other members in the directory.

Note: Fields marked as mandatory must be completed before submitting your profile for review. For the best appearance, upload high-quality profile and cover images, keep your professional information up to date, and ensure all social media links are valid. Profiles become visible in the Classmates directory only after they have been approved by an administrator.
